

The Instructor

Cheryl Myers has been involved in local pageantry activities for over 25 years. Her instructional experience encompasses many Central NY winter guard and marching band programs. In addition, she danced with the Terpsichorean Society as SUNY Oneonta, choreographing for three years, while also acting as Captain of the Kick Line & Dance Team. Currently, Ms. Myers is a member of the NYFCJ and the Atlantic Indoor Judges Association, specializing in movement and field visual. She has judged for Winter Guard Indoor for seven years, and is grateful for the opportunity to judge indoor color guard and marching band contests around the country. As a guest clinician, she presents to band directors, guard instructors and adjudicators on various movement topics. She recently began writing as “the movement chick” for www.ColorguardEducators.com and is a member of their Advisory Board. We are very fortunate and honored to have her assist the Viking Color Guard again.

This is a fantastic clinic sponsored by the Woodbridge Senior High School Band Boosters.
