David Huckestein, Principal

Dear Parents and Guardians of Marching Band students

I am very excited about the upcoming season which is very quickly approaching. We are again having evening practices on Tuesday and Thursday evenings through the month of June and again in August as we did last year. Copies of next years schedule is available in the band room, on Edulink, and on the band website. Please take the time to plan ahead especially when you're trying to plan ACT and SAT dates for next year.

Remember that all performances are mandatory.

For your convenience, we are implementing a new system for completing forms for Marching Band. We will have two meetings where parents will need to come in and fill out all appropriate paperwork and pay the marching band deposit. Parents should pick **one** of the two dates, whichever is most convenient, to come in and fill out all the paperwork. Those dates are June 15 and June 24 from 6-8pm in the Lower Cafeteria. The meetings are organized to help make the filling out of forms as efficient as possible and to give you an opportunity to have any of your questions answered. You will be completing the Marching Band Commitment form, the Medical Release Form, two of the Prince William County Blue Cards, and the VHSL Behavior compliance form. When you come, please make sure you bring with you your health insurance and family physician information.

This year we have also streamlined the payment system for all band fees. For your convenience the boosters have setup on the www.Woodbridgeband.org website a Pay Pal system to allow parents to pay all their band fees online in a secure manner.

Marching Band Fees and Payment Schedule:

Initial commitment form with \$75.00 deposit	June 15 or June 24
Final Payment due by	August 12

Returning Marchers \$295.00 – This includes music, drill, instruction and show shirt.

New Marchers \$370.00 – This includes all of the above, marching shoes and windsuit.

We are a registered school of VHSL and are required to have athletic physicals for all students participating in Marching Band, please have all **physicals** completed and turned in *before* marching band camp. All students who have not completed the necessary paperwork and payments will be held from participation.

We have a very busy and exciting season ahead of us and I encourage you to join the Band Boosters in supporting the great program we have here at Woodbridge High School. The Viking Invitational will be a great experience for all involved and can be a very profitable, but an event like this requires many hands to pull it off. I ask that you mark your calendars and plan to attend and help with the “Viking Invitational”.

Don't forget our ice cream social will be June 24th from 8-9pm in the Lower Cafeteria, come out, bring your family and enjoy some ice cream.

I hope to see you then,

Mark Carder
