

Payment Plan Contract

In order to help with the high cost of band and guard, in a year with a lot of other expenses, the Band Boosters have agreed to offer a six month payment period for students and parents to pay for these items. It is desired that anyone who can, make the payments up front as covering these cost could impact the Band Booster's ability to do other things until all the money is repaid. Anyone with true financial hardship should contact Director Mark Carder, Booster President Nancy Ro, or Treasurer Lisa Glidwell to make special arrangements. **No one will be left out due to finances.**

By accepting this six month extension on band or guard payments for _____ we do hereby agree that we will make a down payment of _____ with this contract and then payments of _____ on the following dates, to be paid in full within six months of the date of this contract.

Payment Dates: _____

The Band Boosters have made arrangements with the Patriot Center to allow band and guard members to work at their facility. Students working events will make a percentage of the sales and these funds will be put into their student account. These funds are tax exempt and can only be used for band or guard related expenses. This arrangement has been established to help families in need raise the extra funds. This opportunity is available to your family.

We understand that failure to make these payments will result in the Band Boosters reporting your student to the administration for failure to pay a debt owed the Band Boosters. This notification can result in your student not being allowed to participate in graduation and/or their not being allowed to participate in any extra-curricular activities. No band or guard students who have past due balances to the Band Boosters will be allowed to participate in Band Trips or Booster activities. If circumstances occur that impact your ability to meet this payment schedule please contact Director Mark Carder, Booster President Nancy Ro, or Treasurer Lisa Glidwell immediately.
